Product description

VEGETABLE SOAP LEAF SHAPED, 18 G IN FLOW-PACK, COSMETIC CERTIFIED "COSMOS ORGANIC BY ECOCERT" - COSMEBIO LABELLED, OSMÈ

Product profile

This certified organic soap is extremely gentle on the skin thanks to a soap base exclusively produced from Colombian palm and palm kernel oil from certified organic farming, then enriched with organic juice of fresh aloe vera, oraganic Glycerin and nicely colored by mineral pigments. This high-quality organic soap base, which is suited for natural cosmetics is from social fair production. Its fragrance is recognizable with fresh top notes of of Chamomile sorbet, oregano and galbanum. The heart is strong and firm, with notes of bitter orange Leaves, geranium Leaves and lavender. But its secret is not yet revealed. Cedar wood, orange flowers and tonka beans emerge, leaving an amazing and lingering sillage. Osmè means perfume, an element which will awaken forgotten emotions and bring to life new experiences.

Certification

COSMOS is an international standard which enables the labelling of natural and/or organic cosmetics. All the products marked with the Ecocert/Cosmos logo have been verified from composition to processing and packaging to guarantee environmentally friendly production, development of the concept of green chemicals, responsible use of natural resources, respect for biodiversity, absence of petrochemical ingredient and GMO, and recyclable packaging.

How to use

Apply to wet hands, work into a lather and rinse thoroughly.
